

Oasis Package

ONE OF SOUTH FLORIDA'S MOST DESIRABLE KOSHER VACATION RENTAL PROPERTIES

Vacationing as a large group is an incredible experience yet it is one that can get challenging at times. Everyone wants to be under one roof and still be afforded some level of privacy when needed. The majority of four and five bedroom vacation rentals only offer one central area for its guests to spread out in, inside as well as out.

The Oasis Package is unique in that it can house the majority of your group in the three bedroom area of the home and also offer a private suite that will give the remaining guests "their own space." In addition, the extra bathroom with shower, kitchenette and table, and laundry center all located within the separate suite enhance the overall package, especially for Yom Tov and extended stays.

The combination of both options gives you a screened-in pool and patio area with hot tub, backyard, and an additional hot tub in a private garden, each with their own lounge-chairs and outdoor dining table. For a large family, having multiple relaxation points ensures that everyone has a spot they can claim for themselves.

Inside, the two double-doors that connect Oasis with Oasis2 can be left open or closed, depending on the needs of the group. Not having to go "outside" to another location to join the family for activities and meals is a unique feature not found in any other local luxury rental property.

Take vacationing with the family to a whole new level. Choose the Oasis Package for both luxury and comfort. It will prove to be your wisest decision when planning your next getaway.
