

OASIS2@NorthMiamiBeach

ONE OF SOUTH FLORIDA'S MOST DESIRABLE KOSHER VACATION RENTAL PROPERTIES

For those guests whose budget is more limited or who prefer a boutique-style accommodation, we are proud to offer you our "one+" bedroom suite with private hot tub.

OASIS2 is perfect for the newly married couple who wants to "honeymoon" in a well-appointed suite that is beautifully set up and offers its luxury both indoors and outdoors. Equally optimal for anyone finding themselves in the South Florida area for an extended stay whether for work or medical reasons, OASIS2 is fully equipped with everything one needs while they are away from home.

It is also ideal for individuals coming with a family vacationing at the OASIS but who want some extra privacy. Opening a set of double doors that divides the suite from the OASIS residence allow them to "join in on the family fun" whenever they so desire.

Sleeping two guests in the dedicated bedroom and up to two more on the pull-out Natuzzi couch in the front room, we refer to this suite as our "posh bungalow." The bathroom has a neo-angle shower, and the main room has a kitchenette with a two-gas burner cooktop, a convection oven for both milchig and fleishig, a refrigerator, and a washer/dryer. Outfitted with the same kitchen amenities as the three-bedroom option, it is ideal for a couple who wants to enjoy a vacation but does not need an entire house for themselves.

Never-before accommodated in a vacation suite in our area, we offer you a private garden oasis with a jacuzzi, totally secluded and secured. Tropical trees, ginger bushes, and acalypha and firecracker plants, as well as the scent of fresh jasmine, all await you in this tiny slice of paradise. Soaking in your hot tub and watching the waterfall fountain at night are sure to put you to sleep under the stars. Breakfast time can be enjoyed at the outdoor bistro table and chairs, and you can catch the sun's warm rays while relaxing on the two Adirondack chairs.

Dedicated wireless internet and cable television are provided at no extra charge, and the parking is free, too.

Pricing for this option is about half of what you would expect to spend for one night in a hotel room that would not offer you any of the above "extras" and surely not a hot tub you can call "all your own." Rates begin at \$289/night (during peak season) with a post-stay cleaning fee beginning at \$185 plus a damage waiver of \$20/night.

Whether you are coming to Florida for a short stay or an extended period of time, consider OASIS2 as your first choice for a boutique accommodation.
